

ISC Activities

This month students followed their favorite world cup teams as the tournament played out on the HD screen in the ISC lounge. For the apex of the tournament, the ISC hosted a World Cup Party bright and early on Sunday, July 15th at 8:00 am. The sports fans shuffled in early, dragging their feet in the early morning hour. The lounge filled and we settled in with hot McMuffins in our hands as France kicked off the final match. Spectators rooted for their respective team as players battled it out on the big-screen and the intense match closed with a French victory over the celebrated underdog Croatian team. Thanks to all that attended. We had a fantastic time.

Experience Summer at Citrus College

Experience Summer at Citrus College begins next month. Get ready for an exciting ESL course where you'll meet new friends and learn about American Culture. In addition, each week ends with an unforgettable event including museums, Hollywood, and a Beach BBQ finale.

This fantastic opportunity and more are readily available on the ISC portal, which is dedicated to providing information, services, and opportunities for ISC students. The ISC portal is an amazing resource available to new and continuing ISC students here at Citrus College.
