What do you like about Citrus College?

Citrus is a small college which permits one-on-one attention with professors and staff. Professors are always willing to help you when needed and they care a lot about your success, not only in their class but also beyond in life. The resources on campus such as workshops, library, counseling, and the food pantry, helped me a lot through my college journey.

What are your plans after Citrus?

After my wonderful experience at Citrus College, this year I will transfer to Grand Canyon University in Arizona to pursue my Bachelors Degree in Advertising and Graphic Design.

ISC Activities

The ISC schedules activities and events that provide international students with an opportunity to engage with American culture. The ISC typically hosts at least one activity per month. Future events: Six Flags, Warner Bros. Studio Tour, Beach & BBQ, and more! Come to the ISC for more information.

Next event: Open Mic Karaoke, March 29 at 3 p.m. ISC Lounge.

New International Student Portal

The ISC (International Student Center) has a new website: isc.citruscollege.edu! As an international student, you have access to your own personal ISC Portal, where you can update your profile information, sign up for text messaging, upload a photo of yourself, and more. The ISC Portal will allow you to view your I-20 status and other important details, including copies of all your ISC Friday Update emails.

One of the most exciting features is that you can now skip the appointment and submit a request online! Need an Enrollment Verification Letter or a Reduced Course Load Clearance? Go to the ISC Website and click the page entitled "Current Student Requests." Here you can submit all kinds of requests and get answered quicker than making an appointment. Visit your new ISC Portal today at isc.citruscollege.edu!
